Dear Parent/Guardian:

Ocean City High School offers the ability for students to acquire college credits through articulation agreements with Stockton University. Students who enroll in dual credit courses may be eligible to receive high school credits, along with college credits, provided all program requirements are met. Dual credit courses are offered at the high school and are taught by OCHS faculty members. All of the courses listed below have the *option* for students to earn college credit through Stockton University, provided they follow the procedures outlined below. If you are interested in this *option*, please follow the instructions below to begin the application process through Stockton University. If you are not interested, please disregard.
